

Rhodes River Ranch

2017 Cowboy Dressage® Events

Welcome all Cowboy Dressage® Enthusiasts,

Here at Rhodes River Ranch we are excited to share our passion for Cowboy Dressage® and great horsemanship with an outstanding lineup of clinics and monthly play dates. Please watch our website for the play date schedule and additional events. Meanwhile, here is our check list for registering to ride, preparing for and attending a Rhodes River Ranch Cowboy Dressage® event:

To register for each Cowboy Dressage® Clinic, first call or text Elaine Steele at 208-660-5204 if you have questions. Please complete this page, scan and email to elaine@trinergy.net or text a picture to 208-660-5204.

Please make advance deposit and balance payments as listed in event flyers:

Clinic capacity is limited to first 15 registrations. Sorry, NO CLINIC REFUNDS unless we fill your riding slot (please help us find a replacement), or we determine to cancel the clinic.

Make checks payable to "Rhodes River Ranch". Mail to:

RHODES RIVER RANCH, ATTENTION: ARENA EVENTS, 22016 Entsminger Road, Arlington, WA 98223.

Or, if you prefer to pay digitally, contact elaine@trinegy.net to receive a PayPal invoice.

Elaine will gather your contact information and send you event waiver forms, plus confirm your dry camping, horse board and/or school horse. Please do tell Elaine about additional Auditor or Presentation attendees.

You will need to email a few more things back to elaine@trinegy.net in order to continue registration:

Scan/email or pic/text a copy of current Negative Coggins Report for the horse(s) above.

As Rhodes River Ranch is a breeding facility; please have your horse current on vaccinations and healthy upon arrival - no snotty noses, etc.

Scan/email or pic/text competed waiver forms for Rhodes River Ranch, clinician and hosts:

Rhodes River Ranch

Lyn Ringrose-Moe

Garn Walker

Clinic and Freestyle Hosts:

Western Sky Horsemanship

Trinegy Riding Instruction

Our Host Hotel is The Medallion in Smokey Point. (360) 657-0500 They recommend calling a week or so prior to event. When you book, tell them you are with "Rhodes River Ranch" to get a discounted rate.

Prior to the Clinic:

We encourage all riders to visit www.cowboydressageworld.com or www.cowboydressage.com to become a 'Handshake Member' of Cowboy Dressage.

All riders are also encouraged to bring their own notebook or binder complete with all tests located at the above websites. Be sure to check for any new tests or revisions for this year! Tests include partnership on the ground and in the saddle, walk/jog and walk/jog/lope tests, challenge walk/walk, walk/jog and walk/jog/lope tests, vaquero tests, gaited horse tests, as well as musical freestyle. The reason to have all tests is for you to learn how to call the tests, follow along during the clinics and use them for your own training.

Consulting the judge score sheets, also available on the above websites, will give you the purpose and requirements of each test and the directive ideas each maneuver requires. This will help you to plan the progression of training for your horse and determine the tests you choose to show.

For insurance purposes approved Safety Riding Helmets are required for any rider under the age of 18, whether on the ground, or in the saddle. Helmets are encouraged for all riders. For those over 18 years of age, you are welcome to wear cowboy hats with signed waivers.

These are not colt starting clinics, so please bring a horse you are comfortable riding and have control of in order to get the most from each clinic. Horses should be well groomed, in good health overall, with current hoof care. Your safety, the safety of other riders and the safety of all horses is our first priority.

Upon arrival at Rhodes River Ranch:

Pull in by the road side of the big blue arena building. Please leave your horse in the trailer. Call Elaine for directions. Check-in so all paperwork is complete. Then ask for a quick orientation of the ranch facilities before you get your horse moved in and comfortable. Riders are responsible for all horse feed and care.

Enjoy your clinic. Our goal is to assist you in your journey to learn more about Cowboy Dressage®, from learning about the vision and soft feel, as well as geometry of the court, riding the 'figures', understanding the connection between partnership on the ground classes and riding, riding the tests, learning from your score sheets, preparing for a show, properly preparing your horse through feel and softness, and having fun with musical freestyles – showcasing you and your horse at your best with fun and creativity.

While meals are not included, a daily beverage and snack station will be provided for riders and auditors during the clinics. At the 8:00 am check-in you will have an opportunity to pre-order a box lunch from The Restaurant at Rhodes River Ranch, which overlooks the arena. Keep in mind that dinners there are amazing.

Follow up. Use the space below or the back side of this page to review what you liked and also tell us how we can improve. Please let us know if there is something you would like that we have not offered yet.

We are looking forward to another year filled with adventure, fun memories, making lasting friendships, assisting you in your horsemanship journey and discovering what all the fun is about with Cowboy Dressage®. It's not only good for you, it's great for your horse!
